**Howdy!**

Thanks for your interest in the annual **SOMBRERO**   
*Ranches, Inc.* horse drive. We hope you'll join us for this unique opportunity to push the largest horse herd in North America over 60 miles of open Colorado range. Additional information is available on our web site at:

Space is limited and past riders will be given priority. Many of those riders have expressed interest in returning this year so spots are filling quickly. Each year it will get harder and harder to get involved since many past riders want to repeat this unique experience - so make your reservations now!

Sincerely,  
Cody Rex Walker V.P.
